SUSTREM 2021

has offset 10 tonnes of CO₂e

with carbon credits from:
Basa Magogo Improved Cooking Technique (Gold Standard)
&
The Wonderbag project (VERRA Carbon Standard)

Climate Neutral Group invests in emission reduction projects which combine energy, environment and developmental solutions into sustainable business opportunities in developing countries.

Our offset projects are carefully selected for their wider social and environmental benefits. These socially progressive projects simultaneously reduce carbon emissions and improve the quality of life of people who are threatened by the impacts of climate change. As such, they are a powerful tool for sustainable development.
